

Bass Coast Health Freedom Of Information (FOI)

Freedom of Information

Statement II Publication of Information

In accordance with Part II of the *Freedom of Information Act 1982 (FOI)*, Bass Coast Health is required to publish certain statements relating to its functions, processes and documents held by this organisation.

Statement 1: Organisation and functions

Bass Coast Health (BCH) is the major public healthcare provider within the Bass Coast Shire in South Gippsland. It is an integrated health service providing a range of acute, sub-acute, ancillary medical, aged and ambulatory care services. The Health Service is fully accredited by the Australian Council on Health Care Standards (ACHS) and is equipped to offer a broad range of specialist medical, surgical and obstetric services including orthopaedics, ophthalmology, gynaecology, paediatrics, urology and rehabilitation.

Aged Care residential services are provided in the 30 bed Armitage House and Kirrak House residential care facilities on the Wonthaggi site and Griffiths Point Lodge Hostel is a 29 bed residential care facility situated at San Remo, overlooking Cape Woolamai. All residential aged care services are accredited through the Aged Care Standards and Accreditation Agency, and Australian Council on Healthcare Standards.

Bass Coast Health offers a wide range of community and welfare services that are provided at Wonthaggi, San Remo, Inverloch, Grantville, Corinella and Cowes. Bass Coast Health's community services provide a wide range of Allied Health and Clinical Nurse Consulting services that include assessment and treatment to clients within the Gippsland South Coast. These services are delivered in a variety of settings including

Bass Coast Health Freedom Of Information (FOI)

inpatients, outpatients, residential aged care facilities and in clients' homes and embraces the Active Service Model as its underlying philosophy. All community services are accredited through the Community Care Common Standards.

The service is committed to working collaboratively and in partnership with other health services, local government and state government. Bass Coast Health is an active member of the South Coast Health Services Consortium and the Gippsland Health Alliance.

Interpreter services may be organised in advance to facilitate care requirements such as elective admission, and procedural consent.

Statement 2: Categories of documents

BCH creates and maintains a large number of documents and records in the course of its work.

The types of documents that BCH maintains include:

- policy, procedures and standards
- reports
- medical records
- registers
