Payment

Centre/clinic based clients will be required to settle the balance of their account on the day of their appointment. This assists BCH streamline our processes, reduce our environmental impact and improve the way we deliver services to the community.

Paying on the day is easy. Patients and clients will be requested to present to the front reception following their appointment, where our friendly team will issue the client/patient invoice and process your payment.

Group and Social Support Services are to be paid in arrears via direct debit method.

Telehealth and phone consultations (assessment or interventions) are charged as per normal process for face-to-face consultations. Clinician time for phone calls being made to waitlisted clients to review status and assist with triaging, without clinical assessment or intervention, does not attract a client fee.

SOCS and SACS: clients allocated to these funding programs will not be charged a service fee (with the exception of Medicare ineligible clients who are charged \$330 per service event).

Fee Concessions

The following patients will be billed at the appropriate low/concessional rate:

- Pensioners
- Health Care Card Holders (including Commonwealth Seniors Health Card)

NOTE: Penalty rates apply as per respective Awards for Saturdays, Sundays and Public Holidays

- 150% rate Saturdays and Sundays – Allied Health Professionals and Nursing
- 200% rate Public Holidays – Nursing
- 250% rate Public Holidays – Allied Health Professionals
